

National Strategy on Domestic, Sexual and Gender-based Violence, 2010-2014

Final Review and Proposals for New Strategy

Introduction

- ✓ Please complete the questions below which relate to your area of work or experience.
- ✓ Be specific in your answers referring to particular actions under the National Strategy and to data, evaluations and reviews where possible.
- ✓ A key section of the questionnaire asks you to say what you can do under the next strategy. Actions need to be feasible, do-able and ambitious. Any wish lists under this heading should be labelled as such.
- ✓ The questions are purposefully open-ended. Please be as specific and as comprehensive as possible in your answers.
- ✓ Please remember specific developments or actions in relation to vulnerable or high risk groups, including Travellers, people with a disability, older people, migrants, young people, pregnant women and those involved with substance abuse.
- ✓ Do not expect to fill in each and every subheading; the subheadings are meant to prompt your memory.
- ✓ It is better to spend time developing the comment than agonising over which subheading it should go under.
- ✓ Do not get lost with all the subheadings; there are basically five questions:
 - 1. What was good about the strategy?**
 - 2. What was not good?**
 - 3. Have you any evidence either way?**
 - 4. What do you want to do in the next strategy?**
 - 5. What should others do?**
- ✓ Your submission will be published on the Cosc website with the final review.
